'We're finally getting somewhere': Davis

Ontario's Minister of Natural Resources is aware of Haliburton County's struggle with the Trent-Severn Waterway and has pledged whatever support he can offer to put this ongoing grievance to rest.

Harry Davis, former chairman of the Haliburton County Water Levels Advisory Committee, said he was pleased with the tone of his meeting with Natural Resources Minister Vince Kerrio last Thursday.

"Mr. Kerrio more than agreed to support us," Davis said after the meeting. "The thrust was to get him to support us, if only morally."

Davis said Kerrio is familiar with the problem of fluctuating water levels in Haliburton lakes caused by the drawdown for the waterway. Because the waterway is federally governed, Kerrio's hands are tied somewhat, but Davis says Kerrio has agreed to do what he can to present the local grievances to his federal counterpart.

Thursday's informal meeting in Lindsay was arranged by Victoria Haliburton MPP John Eakins. Originally, it was

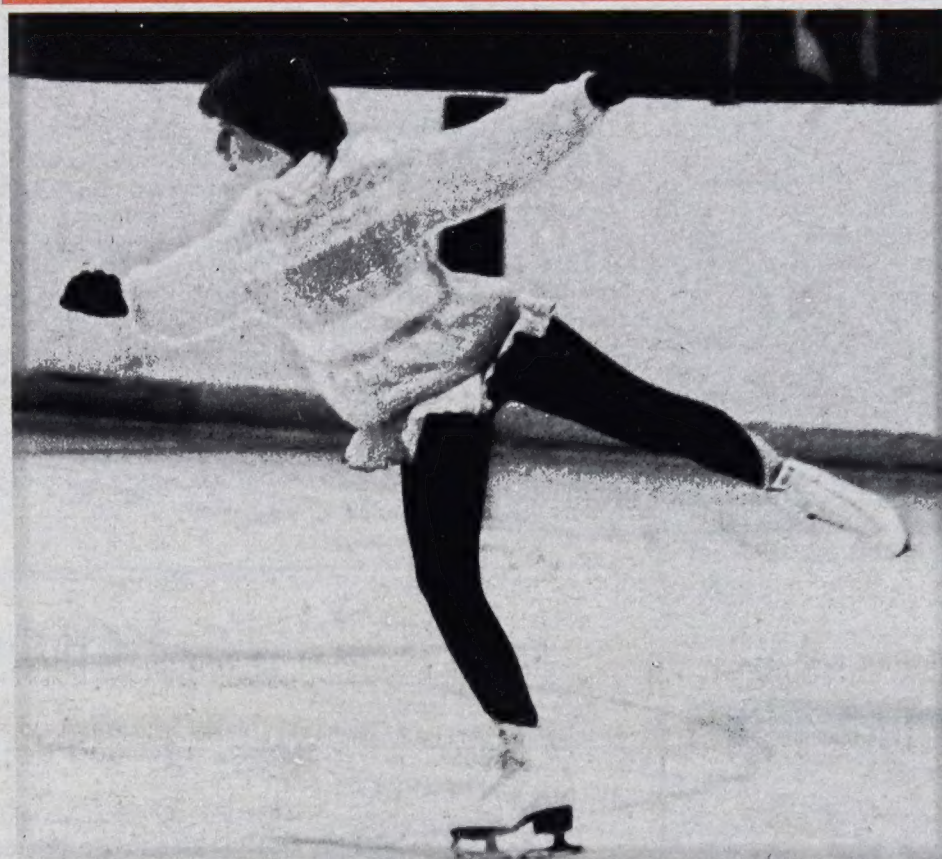

to take place in Minden, but Kerrio's flight was cancelled because of the

weather and he had to make the trip from Niagara Falls by car.

The positive tone of this meeting gives Davis a bit of a lift. He has been working

towards a solution to this situation for years with little success.

"It feels good," he said. "For a change, we're getting somewhere."

Minden's Meaghan Obee was in fine form for the home-town spectators during the second annual figure skating competition at the Minden arena. The event has grown to be so popular with skaters from throughout the area that it had to be expanded to two days this year. The local results will be seen in next week's Times.

Games hold promise

Although the committee has not yet decided on a site for this summer's Haliburton Highland Games, many of the other details are gradually falling into place. And it is all building up to a promising start for the new event.

One of the most important steps in assuring success is the sanctioning from the Ontario Pipers and Pipe Bands Society. Shirley Rapson, Manager of the Haliburton Highlands Chamber of Commerce said the sanctioning has been arranged. The official sanctioning makes the Haliburton Games one of several in the circuit. It ensures that top competitors will attend because it allows them to accumulate points for the overall championship.

Hosting a Highlands Games in Haliburton County is something Rapson has been considering for years. Now, along with the Chamber of Commerce, it will become a reality this summer.

"It's a natural for the Highlands to have a Highland Games," she says.

The games will start out small in the first year with limited competitions. Plans for this year's games call for Pipe Band competitions for all four grades, individual piping competition, drum competition, drum major competitions and the Highland Dancing competition. Other competitions will be added to this annual event in future years.

Late last week the committee was still weighing the pros and cons of the potential sites of the games. Both Haliburton and Minden Villages are eager to be the host villages.

Legal action to be pondered Thursday

The decision of whether to proceed with legal action against the firm that built Minden's arena will be made this Thursday in a private session before the regular council meeting.

The ad hoc committee that was set up to look into this situation will be making a recommendation to council and members of the Minden Recreation Committee, Deputy Reeve Bern Berry said last week.

Berry, who is also a member of the ad hoc committee, would not elaborate on what that recommendation might be. He would only say that it would be dealt with "in camera" during the 9:30 a.m. meeting this Thursday.

The steel columns in the 16-year-old arena are rotting away from the bottom up. The engineer who examined the arena on several occasions over the past three years blames the premature corrosion on calcium salts that he believes were used in the mortar of the building.

Estimates on the cost to repair the damage range from \$60,000 to as high as \$250,000. However, the full extent of the "cancer" will not be known until the engineering firm of Robert G. McEwen and Associates does an inspection of the end walls. So far only the side walls have been looked at.

The arena was built in the winter of 1972. Robert McEwen believes calcium was mixed with the mortar to prevent it from freezing and is now causing the early corrosion.

The use of calcium with mortar is prohibited in the

The engineer's report on the Minden arena indicates that calcium salts may have been used in the building's mortar when it was under construction. This is believed to be the cause of the corroding beams.

Ontario Building Code.

Some members of the ad hoc committee travelled to Toronto recently to meet with lawyer Larry Todd.

The committee, which includes Berry, Toni Carr, Dave Johnson, Brian Sisson and Mary Mysyk, met again on January 29 to review the notes from their legal conference and draft the recommendation that will come before council this Thursday.

Regardless of the outcome of the committee's recommendation, a study of the arena will be completed

by McEwen and Associates. At the January 26 council meeting council passed a resolution to hire the engineering firm on a retainer basis to look at the rest of the arena and come up with a cost estimate.

Minden Reeve Ray Moore opposed handing the contract over to McEwen, though. He feels a second opinion on the extent and cause of the damage should be sought. If a second engineer agrees with McEwen that calcium is causing the corrosion, the municipality would have a stronger case should this go to court.

At this point, Moore is not convinced the municipality's case will hold up in court. The tone of the correspondence with their lawyer has not sounded confident, he said. He is afraid a legal battle might cost the townships tens of thousands of dollars, and there is no guarantee the municipality will win in the end.

Assurances have been given that there is no immediate threat to the structural integrity of the building. The arena will remain open for the rest of the winter season and whatever repairs are necessary will likely be made over the summer.

Berry said there is no question that the repairs will be made even if there is no legal recourse. "The arena is the lifeblood of the community," he said. It is where people meet, where the winter carnivals and bingos and wedding receptions are held.

"It's the centre of the community," said Berry. "It's exactly that: the community centre."

around the county town

by Jeanne Sears. Call 286-1538.

Winners at St. Paul's Anglican Church card party on Thursday included Sid Rowe for most lone hands, Joyce Hewitt, high lady (on a draw) and Edna Trumbull was low lady. The high man was Verna McDonald and low man Jack Weekes.

Mr and Mrs. Russell Lindsay of Port Perry visited his sister Mary Currah in hospital and Charlie Welch at Hyland Crest.

Dorothy McElwain enjoyed a visit with her family in Ajax and Bowmanville.

Rosalie and Alec McLeod of Brooklin spent a holiday at their home in this area.

At the February 1 luncheon euchres at the local legion, winners were lone hands Doreen Sanders, Vera Ward, May Spence, Frank Dunsford and door prize Martha Mansfield. Next games there will be February 14. Call for reservations to 286-2733 or 286-2872.

Best wishes to these people who are on the sick list, Mary Currah, Sherman Johnston, Ruby Francis, Jack Hill, Reg Welch, Anne Hurtt, Joyce Wiltshire, Shirley Hewitt and George Davidson.

At the Tuesday night euchre games at Gelert Hall winners were lone hand Bruce O'Brien, Orville Francis, Paul Hilyer, Ruth Kellett and

Dorothy McElwain with the next games being held February 14.

We suppose that the groundhog wouldn't see his shadow on February 2 so we might NOT have more than six weeks of winter left, but that brings us to March 21 anyway. We will surely get some bad weather in the meantime.

Rocky and Jacky McElwain visited with his mother Dorothy last weekend.

June Steadman of Brampton is presently visiting with her brother Ron Robinson Sr., and family.

My weekend guests included Muriel Ewing,

Sandra Moth, Logan and Daniel, Islay and Paul Warburton and boys all from Toronto.

Last week on Thursday there was a Joint Service of all religious groups with clergy from all churches present and this was held at our Lady of Fatima with the special speaker being Rev. Ed Moll.

Len and Minnie Robinson of Lindsay and Eileen Cockburn and friends Arlene Coates and Dorothy McKague all of Woodville visited with Florence Robinson recently.

Last Tuesday Bob and Audrey Vick had a visit with Bud and Grace Dart at Oshawa.

Winner of the 50-50 draw at Kinmount Legion January 28 was Tony Kenneth of Norland and the amount won was \$96.25. We understand

that Kinmount Legion is having a night with the Shropshire Lad on March 25.

Marie Austen called me to tell me of her week with her son David and Shirley Austen, Tammy and Darren (Rosemont) and that was in Barbados.

Birthdays coming along at Hyland Crest are those of Ruby Lewis and Marjorie Schuyler both on February 11 with good wishes to both.

Just a reminder, the new contact person for rides for cancer patients is Arnie Wright, call 489-3537.

Sincere sympathy goes to the families and friends of the late Ambrose Watson, Victor McBrien, Rossa Jones, John Findlay and Mrs Hincks (mother of Wynn Newberry) whose funerals were since last week.

A get-well wish to Annie Miscio who has been in the Haliburton hospital with thanks to the doctors and staff for their kindness.

The February meeting of the Minden Agricultural Society will be one week early on Tuesday, February 7 at 7:30 p.m. at the home of Joan Moore. Also the Bowron Home-Stead Restoration Committee will meet on Wednesday, February 7 at the Library/Cultural Centre at 10 a.m. Gooderham Stump Jumpers and Fish Derby is on February 11. Call 447-2814.

Winners at Club 35 card party on Monday included for most lone hands Murray Daniels, Marie Thompson was high lady and Rob Evans high man. The door prize went to Sharon Evans and others included May Bradbury, Jim McCarthy and Marie Thompson.

Illahee Northwoods will face a quiet summer

It will be a quiet summer ahead at Illahee Northwoods Camp.

The regular summer programs for the Drag Lake camp have been cut for 1989 because of financial difficulties with the parent association, the Family Services Association of Metro

Toronto.

"The association as a whole is experiencing financial problems," said Shannon Epkin, director of group services. The board of directors decided it has to have a balanced budget for the year and this was one of the cuts that had to be

made, he said.

Illahee provides a summer retreat for up to 260 children with special health needs. Those children will still be able to get out of the city for a while this summer, though, at one of the association's other camps in Bolton, Ontario.

Epkin says the board is hoping Illahee will only be closed for this season. He said the 100-acre property is not being put up for sale. Some limited programs, such as canoe tripping, will continue to be run at the camp this summer.

Epkin said a committee

has already been formed to see if another group, or combination of groups, can be found to provide the financial backing that would be needed to re-open in 1990.

Illahee is one of the few camps in Ontario where kids with health problems,

such as asthma, hemophilia or epilepsy are able to attend. It is equipped with a dialysis unit for kidney patients, in addition to other specialized equipment. All the staff are trained to deal with the special needs of the kids.

Local firm hopes to provide waste recycling service for Anson, Hindon and Minden

Minden's plans to establish a system of recycling wastes could spin off into a business expansion for a local firm.

Jim Garbutt of Garbutt Enterprises recently met

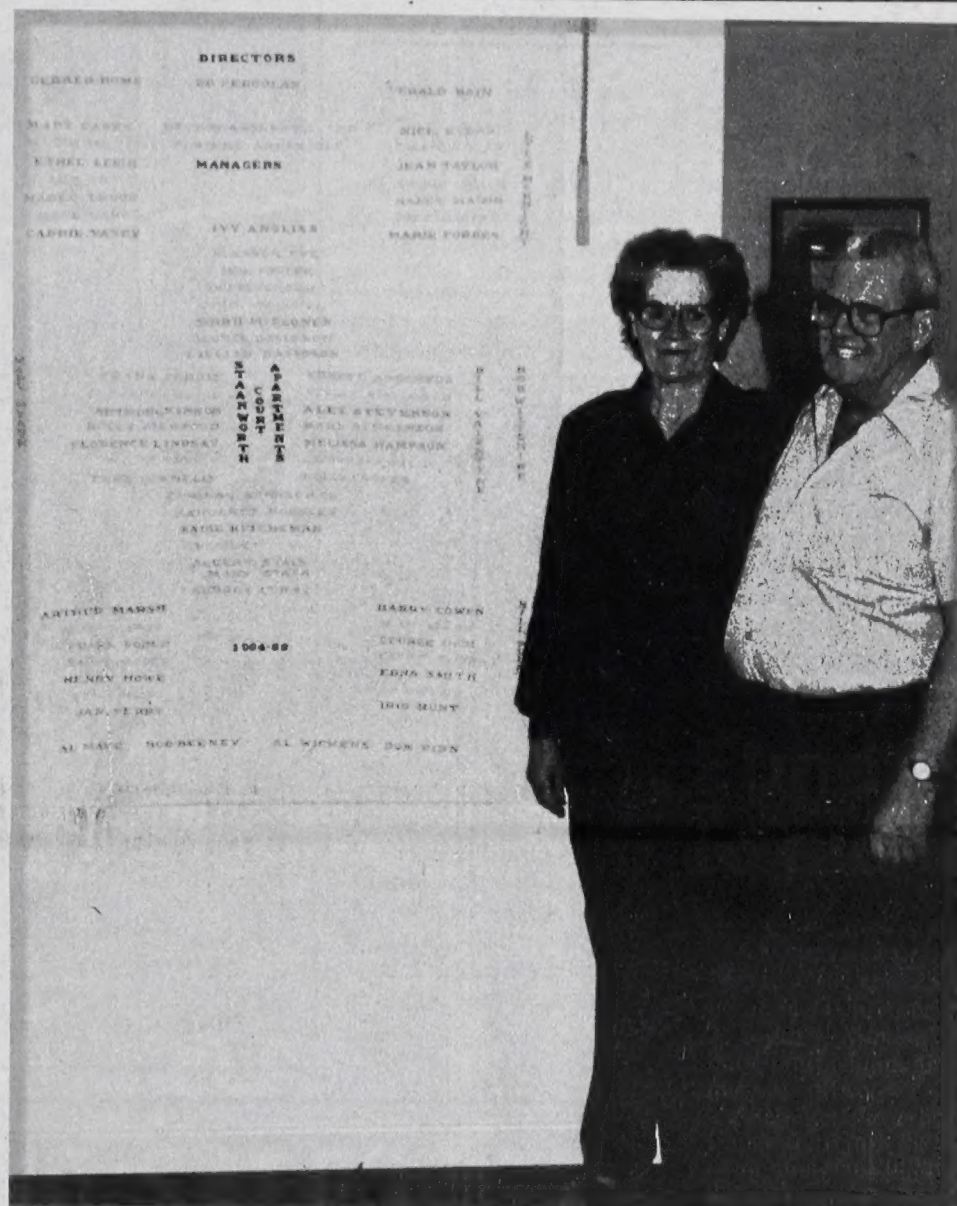

with Minden Council to bid for the service that has been offered to Muskoka Containerized Services. Garbutt is proposing to supply the storage bins and to haul the material to

a recycling station.

Garbutt was invited to the private meeting after he expressed his concerns about the townships giving the service to an outside company. He says he is prepared to provide a better service at a lower cost to the townships.

In spite of this, no agreement has been reached. Garbutt says council has some questions about where he plans to store the recyclable goods before they are transported to a recycling station. He said he was told to get Ministry of Environment approval to store the material on his property. He must also find out if the zoning of his property allows for such storage.

Minden Reeve Bern Berry said he does not want to comment on the discussions with Garbutt because it was all done in a closed meeting. However, he did say council is not closing the door to Garbutt's proposal.

Past and present residents of the Staunworth Court Seniors apartments all have their names recorded on a beautiful wall hanging, embroidered by Jean Marsh. She and her husband, Arthur, celebrated their 45th wedding anniversary last week. In addition to the residents' names, all the names of the directors are also included on the wall hanging that was only recently completed.

Fund established to aid fire victims

A fund to assist a couple who lost all their possessions in a fire last week has been started in Minden. The blaze, Sunday January 29, destroyed the home of Dick Hope and Heather Grant on Highway 35 south of Minden. The blaze destroyed the couple's home, furnishings and clothing, as well as an adjacent business office.

Accounts have been established at the Candian Imperial Bank of Commerce and the Toronto Dominion Bank in Minden where individuals can make donations to assist the couple. A benefit evening is currently in the planning stages for sometime in the near future. The benefit will be held at the Rockcliffe Tavern. Details of the fund raiser will be announced soon.

Glimmer of hope

Thanks to the efforts of Harry Davis and the Haliburton Water Levels Advisory Committee we can finally see a glimmer of hope of a solution to the water levels problem that has plagued this county for decades.

Trying to make our federal government aware of the situation here is akin to convincing former U.S. President Ronald Reagan that acid rain is damaging our soil. It's a lot easier to pretend the problem doesn't exist than it is to face up to it.

In recent months, though, federal and provincial politicians have at least taken note of the water levels problem. This past week Ontario Minister of Natural Resources Vince Kerrio visited this riding specifically to discuss the situation with Davis and members of the water levels committee.

Although there was no tangible progress made at this meeting—the province has little say in this matter—Kerrio's offer of support will make it more difficult for the federal government to turn a blind eye in our direction.

Another ray of hope is the fact that a new federal environment minister has now been appointed. Let's hope our Member of Parliament, Bill Scott, is successful in his task of convincing the new minister of the importance of stabilizing the water levels in Haliburton's Lakes.

Just plain meat, hold the extras

If drugs are the answer, what was the question?

Anon.

This is a story about drugs. Two stories really. The first story is about Bill Werbeniuk, the most famous snooker player to come out of Winnipeg and one of the best in the world. Bill's been racking them up and potting them professionally for the past fifteen years.

But not for much longer, it seems.

Bill has a drug problem.

Oh, it's not coke or heroin or speed or hashish.

Bill takes Inderal.

Inderal doesn't turn you into a sex maniac or make you giggle or write jazz poems or see God. All it does is stabilize the body's sugar level. Without Inderal, Werbeniuk can virtually fall asleep in the middle of a snooker shot.

Bill Werbeniuk's never made a secret of his dependency on Inderal. He gets the stuff by prescription and has admitted as much to the World Professional Billiards and Snooker Association.

The Association Poobahs have been equally forthright—they have banned Werbeniuk from playing professional snooker for as long as he continues to take Inderal.

Then there's the story of Carl Cosack.

Carl is not a professional athlete -- doesn't even own a pool cue. He runs a 220 acre farm just 50 miles northwest of Toronto where he and his wife Suzy raise

black 'n white

by Arthur Black

been cattle. Successfully too. The Cosack farm moves about 1500 head of cattle from feedlot to supermarket every year.

But Carl Cosack cattle have a drug problem.

They don't use any.

Meat from Cosack cattle is marketed under a special brand name - "Clean and Lean". You can't find it in every store and you'll pay about twelve cents on the dollar more for it when you do, but you can be sure of one thing:

You are buying meat. Not meat plus antibiotics, not meat plus steroids, not meat plus unnamed 'growth accelerators' - just meat. Customers who've tried it say that Cosack meat tastes better too.

All of which has made Carl Cosack a folk hero among his fellow beef producers, right?

Hah.

The Canadian Cattlemen's Association has slammed Cosack and by implication, any other beef producers flirting with so-called 'natural' beef. "We will not accept any claim that (the meat) is superior

or safer - it is not," says an executive vice-president of the CCA.

Well, perhaps not, but the combined agricultural expertise of western Europe would seem to disagree - the European Community has banned the import of virtually all U.S. and Canadian meat products precisely because they're full of the stuff Carl Cosack refuses to put in his.

So what is the message our kids get about these drugs? That they're okay on the dinner plate but not in our athletes' urine?

When it comes to drugs I think we're getting ... well, dopier instead of smarter. A few months ago an American bible thumper got front page treatment with the accusation that cartoon hero Mighty Mouse was actually a coke addict. Seems that in one strip, the muscular rodent was revived from a faint by sniffing a flower. The righteous reverend thundered that the flower had to be full of cocaine.

What I want to know is, when is the FBI going to pull the plug on that other famous cartoon junkie? You know who I mean - the evil fiend who carries his stash in a tin container right inside his shirt. When he takes a snort, he's transformed into a raging, homicidal psychopath with superhuman strength and a passion to destroy everything around him.

What's that maniac's name again?

Oh yeah, I remember.

Popeye.

Bill will turn waste management over to counties

by John Eakins, MPP.

Last Thursday I introduced Bill 210 in the Legislature entitled an "Act to Amend the Municipal Act."

The purpose of this Bill is to enable a County Council to pass by-laws assuming power over Waste Management in the County.

The Municipal Act provides local municipalities in counties with waste management authority,

but counties do not have authority to undertake waste management activities.

Waste management is emerging as a serious problem across the province. A waste management system which meets present-day requirements is, beyond the means of many local municipalities in counties. A large-scale system involving several local municipalities can be more cost efficient than a

system run by an individual local municipality. Counties cover an appropriately large geographical area and most have sufficient populations for effective waste management.

The proposed legislation seeks to provide counties with the authority to assume any waste management power subject to a two-thirds vote of county council representing a

majority of local municipalities. This gives counties exclusive jurisdiction over the waste management power they assume. The legislative proposal also permits counties to exempt local municipalities, with their consent, from the county waste management service subject to a two-thirds vote on county council representing a majority of local municipalities.

Counties are also permitted to enter into waste management agreements with other municipalities. In addition counties may adopt a waste management plan which is binding on the county, participating local municipalities and local boards.

The proposed legislation also provides for regulations:

- to protect employees of

existing local municipal waste management systems assumed by a county;

- to establish criteria for determining financial adjustments when assets are taken over by a county; and

- to establish a dispute settlement mechanism that may be used to resolve disputes regarding disposition of assets prior to going before the Ontario Municipal Board.

Cable TV viewer upset by price hike

Editor

It would seem that the ones who are looking after the CATV didn't take long to lose the Christmas spirit. My Cable TV was paid until August. Now they tell me I have to pay more so I can get more channels.

Should we not have something to say about this? To myself and lots of others it

seems very unfair.

The only reason I would want more channels would be to get more music.

Many of us are widows without a lot of money coming in and another demand for money seems just too much.

Sincerely

Florence Robinson

Students enjoy complimentary Times

Editor

We would like to thank you for giving us copies of The Times each week. We read about Paul Aggett and his trip to Oklahoma City to learn more about blacksmithing and horseshoeing.

We invited Paul to our classroom and he spent a morning demonstrating blacksmithing. We were impressed with his knowledge about all the parts of a horse's leg and his skills as a blacksmith. He made

us a horseshoe in his portable forge.

We would like to thank both Jack Brezina of The Times and Paul Aggett for their generosity and we look forward to reading more articles in the newspaper.

Yours truly

Ted Pipe, Tanya Allaire, Kim Reynolds, Bob Packard, Tim Cooper, Heather McGann, Heather Allan, Darrell Allan, Angie Pipe, Cory Ballod, Bernie Davis.

Acid Rain Report

The following report on precipitation events was recorded at the Ministry of Environment acid rain testing station in Dorset and compiled by Environment Canada.

This report covers the period of January 25 and 26.

January 25 - 12 mm mixed rain and snow, 4.2 pH, from Missouri, Illinois, Michigan and southern

Ontario.

January 26 - 3 cm snow, 4.5 pH from Minnesota, Wisconsin and Michigan.

Environmental damage is usually observed in sensitive areas regularly receiving precipitation with pH less than 4.7. Readings of 4.0 pH or less are considered dangerous. The lower the reading, the more acidic the precipitation.

Breaking the mist

Russ Duhaime photo

The best of '88

On a brisk morning in late April, with the sun barely peaking over the horizon, Time Editor Russ Duhaime snapped this photograph of a pair of Canada Geese lifting off through a layer of mist on one of the hundreds of small ponds near Gelert. This photo has now earned The Times another Premier Award in the Ontario Community Newspapers Association competition.

Judges have chosen this to be the best photo featuring Ontario's natural resources among the entries from community newspapers from across the province. The award, sponsored by the Ministry of Natural Resources, will be presented during the OCNA convention this March.

Clock fund donations now rolling in

Fundraising for the Sta-anworth Memorial Clock has already reached 25 per cent of the goal and donations are starting to roll in.

An update from the clock fund committee says people are becoming aware of the drive to raise enough money to put a clock in the clock

tower on the new Sta-anworth Terrace seniors apartment building.

The following is part of a letter received recently from a donor: "Please find enclosed a cheque in aid of the Clock Fund honouring local pioneers. In particular I want to honour the late Thomas Mason of Bosh-

kung Lake. I had the privilege of meeting Mr. Mason when I went with relatives on vacation in the early 1920s to the newly opened

Matabanick Inn on Bosh-kung. That summer seeds

of friendships were sown with the Mason family, that have been ongoing through the years. I wish you every

success in this fine endeavor."

The committee hopes to

eventually publish the names of all those who donate to the fund. Donations can be sent to the Municipality of Anson, Hindon and Minden, re: Sta-anworth Memorial Clock Fund, Box 117, Minden.

January weather

by Phil Graham

	C	F
Average high	-8	30.5
Average low	-12.7	9.1
Average for month	-6.7	20.0
Average for January 1988	-9.4	15.0
Highest temperature January 31	6.5	43.7
Lowest temperature January 21-30.0	-22.0	
Rain	55.8 mm	21.1 in.
Snow	56 cm	22 in.
Total precipitation	111.8 mm	4.4 in.
Days with rain or snow	17	
Days mostly sunny	10	
Days with thunderstorms	1	
Snow on ground January 31	18 cm	7 in.
Snow on ground January 31/88	21 cm	8 in.
Snowfall to date	95 cm	37 in.
Snowfall to January 31/88	150 cm	59 in.

January was a very variable month, some quite cold days, some very mild days, generally more like late March than January. Thunderstorms, freezing rain and wind added to the variety. Rainfall was above average and snowfall below average, and average temperature 2.7 degrees (5 degrees F) above last January. We had three or four January thaws!

Trivia: February 3, 1947 it was -63 degrees in Snog, Y.T., the lowest temperature ever officially recorded in North America.

February 5, 1663, a massive earthquake struck Quebec, the Maritimes and New England. Buildings swayed, dense clouds of dust darkened the sky and ice on the rivers was broken and thrown in the air. Aftershocks continued for nearly 6 months.

Memorial service being arranged by the Legion for February 24

The Minden Branch of the Royal Canadian Legion will be holding a memorial service February 24. The service is being organized to honour the Canadian service men and women who died or were imprisoned by the Japanese during the Second World War.

The date of the service was chosen as part of the local organization's protest against the level of official representation at the funeral of Japanese

Emperor Hirohito. The Emperor, who died last month will be honoured by his country on that date. Canada will be represented at the memorial service by Governor General Jeanne Sauve.

The Minden Legion has also endorsed a resolution calling on other Legion branches in the zone to join them in honouring Canadian soldiers who fought against the Japanese. The idea of a memorial service was

suggested after a number of British Prisoner of War organizations announced plans to hold similar observances on February 24.

Emperor Hirohito was the head of Japan during the Second World War. Many western soldiers feel that the leader should bear the responsibility for the treatment of prisoners of war held by the Japanese and for official Japanese policy leading up to and during the Pacific conflict.

The competition was strong again this year during the annual Winter Carnival Mixed Curling bonspiel at the Minden Curling club on January 28 and 29. This year's winner of the A event was the Lindsay Rink of Steve Colliver, skip, Sandra Oakley, vice, Clark Bailey, second, and Monique Colliver, lead. In addition to their prizes this rink was awarded the General Lee Trophy.

Minden Curling Club President Dwight Thomas awarded the president's trophy to the B event winner in the Winter Carnival bonspiel. The winning rink from Newmarket was skipped by Ted Burbidge. His team was Marg Wood, vice, Roy Wood, second and Elaine Burbidge, lead.

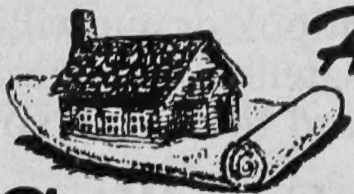

John Plews' Oshawa Rink captured the C event title in the Winter Carnival 'spiel and was awarded the trophy sponsored by Bob Colliver's Rock and Roll Curling Supplies. Curling with John were Marg Bear, vice, Bill Wright, second, and Helen Wright, lead.

The Fairfield Bay Cottages Trophy for the D Event title in the Winter Carnival 'spiel went to the Listowel rink skipped by Tork Sorenson. On his team were Margaret Sorenson, Ross Ludington and Pauline Ludington.

Excellent selection of CERAMIC TILE now in our showroom.

Rockcliffe ends schedule in first place

With a handy 11-2 victory over Home Hardware last Monday night, the Rockcliffe Tavern hockey team finally sewed up first place in the Minden Men's Recreational Hockey League.

The Rockcliffe dominated the league in the early part of the season, but began to falter some at the mid-way point, allowing Halls to gain ground. At one point in the season, Halls moved into first place.

However, the Rockcliffe team regained their composure to finish the season in first place. Halls finished in second place while Home was third, Hartwick was fourth and The Times finished in fifth spot.

Vasey Real Estate finished well off the pace in sixth place after their 6-5 loss to The Times last week.

HARTWICK 10, HALLS 3

In spite of their fourth-place finish in the standings, Hartwick Construction has to be one of the favourites

to win it all in the playoffs. Their handy 10-3 win over Halls in the opening game of the night last Monday is typical of the way the team has played during the past four or five weeks.

Hartwick opened the scoring in this game and led 4-0 midway through the second period. Halls finally scored two of their own, but Hartwick returned the favour and then some.

Bern Berry led the scoring with three goals for the winners. Doug Ray was back in form with two goals, matching Andy Campbell. Sid MacKiegan, Ken Casey and John Fedeski each scored one.

Kevin Hamilton scored two of Halls' goals while Dave Hartwick notched the third.

TIMES 6, VASEY 5

If history repeats itself, Vasey Real Estate should have a strong shot at the league title. In past years, the

last place team from schedule play has always shown surprising strength in the playoffs.

And after last Monday's narrow loss to The Times, Vasey's anchor-hold on the coveted basement was still secure.

The Times had some trouble with Vasey in this game, though. And it wasn't until late in the third that The Times moved ahead for good.

Craig Crowe set the pace for the winning team with three goals. Brian Marquart scored twice and Dave Pettes scored one.

Ivan Ingram notched another hat-trick for Vasey. Dennis McKee and Eldon Bull added one each.

ROCKCLIFFE 11, HOME 2

As it turned out, the Rockcliffe didn't have to win

YES! we're still Open For Business

Despite the disastrous fire

R. Hope Satellite Service

is still operating and ready to meet your dish service requirements. If you need service call our (dare we say it) Hot Line:

286-2536

In a few weeks we will have a mobile office in place at our former location and, allowing for the time necessary for restocking, we will be able to meet your equipment requirements.

Our business has been built on service to valued customers, old and new. The fire hasn't changed our outlook or our willingness to meet your satellite TV receiver needs. We look forward to serving you.

R. Hope Satellite T.V. Equipment

2 miles south of Minden on Highway 35

The Minden Tyke Monarchs have been playing tremendous hockey all season, and recently captured first place in tournament action. Team members, from the left front row, are Gary Kernohan, Gavin Simms, Greg Kerr, Shane Walker, Bryan Recoskie, Josh Shaw, Trevor Cole

and Philip Neville. In the back row are Paul Daniels, Ryan White, Gaten Davis, Blyne Saunders, Danny Nielson, Rich Kinsmen and Andy Kinsmen. Behind are coaches Grant Shaw and Byron Recoskie.

Minden Men's playoffs begin tonight

(from page 8)

their game against Home to finish in first place. Halls' loss to Hartwick guaranteed that for them.

The fact that the top spot was secure, though, did not stop them from stomping their opponents 11-2 in the final game before playoffs begin.

Scott Hamilton, Scott Gartshore, Norman Barry, Barry Boice and Daryl Ward each potted two goals for the Rockcliffe. Jim Crawford added the eleventh goal to the tally.

Dave Rogers notched the lone goals for Home in this lopsided loss.

The first games of a five-week round robin playoff series are slated for tonight at the Minden arena. Home takes on Halls at 7 p.m. Rockcliffe and Times play at 8:30. The final game, at 10 p.m. is between Vasey and Hartwick.

KUBOTA

Novices blank all opponents

Minden's Tri County Novice C team travelled to Haliburton on January 25 to chalk up another 4-0 shutout against a very determined team.

Haliburton has not defeated Minden this schedule and with one game left to be played between these two teams, a first for Haliburton remains to be seen.

Scoring took place in all three periods with Cameron Neville, B.J. Redner and Gavin Gartshore picking up goals. Chuck Hopkins,

Chris Little and Neville earned the assists.

On Sunday January 29, we were in Fenelon Falls for a 5:30 p.m. game against another determined team and this time came out on top of the 2-0 score.

Cameron Neville opened the scoring in the first period with a breakaway and found the mark with little trouble. Fenelon tried to tie the game and played well, but anytime the puck was cleared for a possible breakaway, Minden's defencemen

Clay Davis, Steve Eccleston, Wayne Kernohan or Chris Little poured the power to it and managed to avert any possible shot on goal.

Minden goalie Shane Flood is not to be outdone. He had his chances to keep warm when Fenelon managed to manoeuvre the puck in his end and take a few shots at him.

The rest of the game remained a back-and-forth effort until 53 seconds left in the final period when

Chuck Hopkins let go with a head-on shot at the goalie, hitting his stick and deflecting the puck up over the goalie and into the net.

Our regular schedule is coming to an end with only two games left to play. On Saturday, February 18, we're at home to Manvers at 11 a.m. and Sunday, February 19, we're off the Haliburton for the final game at 3:30 p.m.

Keep watching for more information regarding the Novice C playoffs.

Kulas will attend hospital meeting

Bill Kulas, Minden's Representative on the board of St. Joseph's Hospital, will provide an update on what work is being done to get an expansion to the Minden hospital during a meeting on February 16 in the Council Chambers.

Kulas says the terms of

reference for a comprehensive health care study of the Minden area have been approved and application has been made to the Ministry of Health for funding. The terms of reference have also been sent out to about 20 consulting firms for proposals.

Kulas will outline the steps that have been taken to date, and comment on what steps still need to be taken during the meeting that starts at 7:30 p.m.

He cautions that the whole process of expanding the hospital facilities in Minden are at the very early

stages of what will likely be a long, drawn out affair. The study itself will take at least nine months to complete, he says.

The January 16 meeting is open to the public. Kulas also welcomes anyone who has questions about the hospital to call him.

Atoms move into second with recent wins

By Corrinne Howell

The Minden Tri-county Atom team travelled to Beaverton on January 20 hoping for the win that would move them up to second place in the league standings.

The fans were rewarded

for their diligence with yet another great game played by both teams.

Minden was the first to score with a goal by Todd Redgrave unassisted. Minden kept up the attack, which led to another goal by Andrew Crego, assisted by Todd Redgrave.

Beaverton was fighting hard to hold Minden off. No matter how close Minden came, we were to see a scoreless second period.

Minden's players were determined to have the upper hand, though, and Marty Dettman clinched this by scoring Minden's

third goal on a breakaway.

Beaverton found some power and came through to score their first goal. But this was answered by yet another goal from Minden when Scott Dettman scored from a good pass from Todd Redgrave.

This was not enough for

Minden. The team was playing hard right to the end, which led to a goal from Todd Redgrave, unassisted.

Beaverton also played the

game right up to the end and was rewarded with another goal in the last seven minutes to narrow the gap to 5-2 for Minden.

Victoria-Haliburton MP Bill Scott received a warm welcome at the Minden Cultural Centre last week. He was in town to deliver two New Horizon Grants. One is for the restoration of the log home that sits next to the County Town Museum. The second is for the Minden Shuffleboard Club to expand its programs. Most members of the museum committee were in attendance for the reception. Mike Maher, right, council's representative on the committee was also present.

Local skaters earn top marks

On Saturday and Sunday, January 28 and 29, Three of our local skaters competed at the Uxbridge Invitational Competition, achieving strong results.

Kristi Barkwell and Marita Schrader competed in the pre-preliminary ladies event and Cori Barkwell competed in the Juvenile ladies event.

Kristi's and Marita's event included 90 skaters, which made it necessary to break it down into flights. As luck would have it, they ended up in the same flight with Marita in seventh and Kristi in eighth spot.

Both girls' performances were among their cleanest of the year and they can both be pleased with their results.

Cori's event was also split into flights with Cori finishing third and advancing to the finals. Even though the day was long for Cori—her flight was at 7 a.m. and her final was at 5:30 p.m.—she managed to turn in a strong performance to finish second overall.

Congratulations Cori. All three girls are coached by Jane Symons.

Kristi Barkwell, Cori Barkwell and Marita Schrader skated recently at a competition in Uxbridge, where they all earned excellent marks.

Minden Gallery looks forward to active season

Another very good year for the Agnes Jamieson Gallery! The year-end report of the committee responsible for the administration of the Gallery shows that, once again, it has fulfilled its mandate.

Each month, and sometimes bi-monthly, excellent pieces of art were on display and for sale.

A first-time Studio Tour held the weekend of October 1 and 2 was a smash hit due to the complete co-operation of the participating artists and the overwhelming interest of the public. Another such tour will be held on the weekend of September 30 and October 1; so mark your calendars now for this 1989 show.

The 1989 Gallery agenda is exciting! As you know, the Gallery was built to provide a permanent place to house the paintings of Andre Lapine. During February, these paintings will be on display. Some of

the oils have been cleaned, and are so much brighter with the grime of years erased that the viewer will see them as they were meant to be. Sharing the spotlight with the 'permanent collection', will be a display by the Girl Guides.

Beginning March 11, Anker Odum of The Times will be showing his cartoons, along with a display of photography by Russ Duhaime and others.

From April 6, 'Young Expressions 1989', a display of children's art, will, no doubt, be proudly viewed by parents and grandparents.

For two weeks, beginning May 6, Hank de Beer will be showing his 'Water colours and Wildlife'.

Sandor Tandory's 'Watercolours and Oils' will be at the Gallery from May 27 to June 17.

Mark the calendar for June 24 to July 8 which is when Joan and Peter Hoad will be showing their

'Watercolours and Sculptures'.

From July 12 to 25, you won't want to miss the exciting 'Canadian Flora and Landscapes' on silk and Chinese rice paper by Mary-Sue Rankin.

The Buckhorn Group of 6, a workshop of local artisans, will be at the Gallery from July 29 to August 19. Following these artists, 'Wallhangings' by Friedel will hold your interest until September 16.

Those taking part in The Studio Tour will present a sampling of their art in The Gallery from September 25 to October 14.

Interested in rug hooking? Be sure to see the work of the Haliburton County Rug Hookers in November.

December is the time to buy your Christmas presents while the Annual Christmas Sale is on. Hand-made articles of all kinds will be for sale.

"Ask about our Guarantee"

Serving the Community's Greatest Need

PROCLAMATION

WHEREAS The Association of Kinsmen and Kinette Clubs has been a vibrant, responsible, all-Canadian association of service clubs devoted to the concept of serving its communities throughout Canada since its founding in Hamilton, Ontario on February 20, 1920,

AND WHEREAS The Association of Kinsmen and Kinette Clubs has been dedicated to meeting the needs of our community and has diligently sought the development and completion of timely, relevant programs to meet the needs and challenges of our constantly changing society,

AND WHEREAS The Association of Kinsmen and Kinette Clubs is celebrating its 69th anniversary on February 20, 1989,

THEREFORE, I, RAY MOORE, REEVE of the TOWNSHIPS of ANSON, HINDON AND MINDEN, feel that each citizen would welcome the opportunity to pause and reflect with pride on the rich heritage of accomplishment throughout the more than 68 years Kinsmen and Kinette clubs have been in existence in Canada. And with the express idea of honoring our local club,

I DO HEREBY DECLARE February 20, 1989

KINSMEN DAY

and declare the week of February 15 - 21, 1989

KINSMEN WEEK

and urge all citizens to salute their local Kinsmen and Kinette clubs.

IN WITNESS WHEREOF, I have here unto set my hand and caused the seal of

the CORPORATION OF THE TOWNSHIPS OF ANSON, HINDON AND MINDEN

to be affixed this 26TH day of JANUARY 1989.

(Signature)

ATTENTION

DATE: Saturday, February 18, 1989

TIME: 2:00 until 4:00 p.m.

PLACE: Royal Canadian Legion Hall in Haliburton, Ontario.

There will be a public meeting of interested persons to discuss the present and future uses of the abandoned railway corridor that is located between Kinmount and Haliburton, Ontario.

The Railway Corridor Development Committee of the County of Haliburton will entertain briefs and questions from the floor.

All interested persons and groups are invited to participate.

Schools' water will be tested for lead

Testing for lead in the drinking water of all publicly funded elementary schools in Ontario will begin on January 23, Education Minister Chris Ward announced.

Initial testing will be completed by mid-February and boards will be advised of results for each school in their jurisdiction by the end of

March.

"I am asking that schools continue to flush their drinking water systems for five minutes each morning before students arrive for classes," Ward said. This procedure has resulted in maintaining lead levels below the federal allowable limit of 50 parts per billion.

Because earlier testing

showed higher lead levels in some recently built elementary schools, every secondary school built in the last five years - approximately 25 schools - will also be tested to determine

whether testing at all high schools in the province is necessary.

If water samples in any schools test higher than the allowable limit, Ward said, appropriate action will be determined by the Ministry of Education in consultation with the Ministry of the Environment, Ontario's Chief Medical Officer of Health and the school board.

Great competition local hockey tourney

by Lisa Kerr

Saturday, January 29 was indeed a busy day in and around Minden arena. With numerous winter carnival activities happening our Tyke and Novice A teams each hosted a combined four-team tournament.

With this style of tournament each team plays a maximum of two games. As a parent we know how hard it is on the kids and ourselves when the team plays three games all in one day. Another plus is that each team goes home with a trophy for their efforts! Combining the two divisions creates a mixture of viewing and so often one hears the remarks, "I remember when" or "I hope to be like those guys!"

I wish to thank on behalf of the Tyke and Novice teams our referees Aaron Hie, Claude Parish, Damon Smith and Brian Moore who kindly donated their time and patience for all 8 games.

Also a special thank you goes to Don Finn of Minden who donated sticks autographed by John McLean of New Jersey Devils to the boys who showed continuous effort throughout the tournament. Josh Shaw from the Tykes, Robbie Camelon and Adam Carpenter from the Novices were awarded each a stick. Lastly I'd like to thank Chris Todd, Chad Connelly, Scott Bailey and Doug Kernohan for their involvement in the time keeper's box. Many others also help to contribute to the activities which proved to be a well operated tournament.

Tyke Time

The morning began with Minden playing Haliburton

and it became quickly apparent Minden wasn't able to keep the pace. The score was in favour for Haliburton with a 7 to 0 victory. Gary Kernohan was picked for the Minden team as this game's MVP. Gary Kernohan showed great and continuous effort throughout this game as well as in any game he plays!

Later in the afternoon Minden was scheduled to play against Ennismore, who lucked out against Bracebridge. This game was for the consolation trophy.

Bracebridge had a quick beginning, scoring two goals within the first five minutes. Minden couldn't hold off Bracebridge's team. The final score was 5 - 0.

Shane Walker, Minden's goalie, played an extraordinary game shielding off eight extra saves. For his super abilities he was awarded MVP for this game.

Congratulations to all the boys, even though they had a tough day, their spirits never seemed to dampen!

Right after the Tyke game the Novice 'A' Tri County team met with a first-time game against Wilberforce. This team from Wilberforce was by far Minden's real challenge of the season. Both teams exhibited a high calibre of skills giving this game many heart-pounding moments. The teams locked horns throughout the three periods with a 3 - 3 tie. Minden, with 22 seconds left in the game, pounded in a fantastic goal bringing the crowd in the stands to a wild frenzy. Holding for those last few seconds Minden won their first game 4 - 3.

Goalie Kerr played a long

and very demanding game. Donald Todd was picked from Minden's team as this game's MVP. Donald as always played to his best and continuous abilities. Look out Gretsky! The goals and assists are: Todd 1 goal, 1 assist; Ranson, 1 goal; Donnelly 1 goal, 1 assist; Daniels 2 assists; and Anderson 1 goal.

The last game of the day was played after the Tykes finished their battle for first place champion in which Bracebridge beat Haliburton in a twist of fate game. Bracebridge was down 3 - 0 but in the third period came back and left Haliburton standing in the dust!

With the crowd still on a high after this game they were ready to continue and cheer for the Novice game. Gravenhurst had won earlier against Port Perry's team and so now would meet with Minden. This game began with a bang and turned out to be a walk away game for Minden. Minden boys, as coach Todd and Casey remarked, displayed their efforts and teamwork better this game than any this whole season. The boys earning the assists to the goals in this game are definitely just as important as those that got the puck into the net! Goalie Walker did a great job in net earning himself another shut-out. The MVP for this game from the Minden team went to Ryan Anderson. This boy always plays hard, never ever giving up hope. Anderson is a player that digs into action quickly and has a talent for hockey that shows in every game he plays. The goals and

Childrens' Aid week is set

The Kawartha-Haliburton Children's Foundation is preparing for its annual "Aid Children's Aid Week" to be held March 3-11.

The goals for the week are to raise funds for prevention oriented programs as well as to promote public awareness of the Children's Aid Society.

A new addition to the campaign this year is an initiative from area high school students called the "Kids Helping Kids Project". Each high school will sponsor an event on the evening of Friday, March 3.

Also, the annual Giant Rummage Sale will be held at Adam Scott Collegiate on Saturday, March 11. Anyone who has rummage to donate to this sale, or who wishes to rent their own table, may call 292-5757.

Kinmount Public School students displayed considerable talent for public speaking during the Kinmount Legion's annual contest last Wednesday. The junior winners (above) were Carrie Pearson, first, Jessica Franzen, second and Nikki Dettman, third. The senior winners were Cory Barkwell, first, Erica Franzen, third, and Colleen Longhurst, second. Judges Ernie Hills, Mabel Smith and Ivor Thompson said they were impressed with the topics chosen and abilities of all the students in the contest. The two first-place winners will now go on to compete in the zone competition.

senior league

by Winnifred Barnum

Dear League Readers: This is the starting of another week's news. Today we had the West Guilford St. Andrew's Church bring the lunch and a delicious birthday cake. There were five residents who had birthdays in January. The luncheon was enjoyed by everyone with a very lively sing song to follow. Thank you all very much. Every

week day at four o'clock Doris reads to us from a book till 5 o'clock. At 7 o'clock Linda Pentney called bingo for us.

In the main lounge a movie was shown, "Three Men and a Baby" which was funny and everyone enjoyed it and we had Bible study by Mrs. Coleman in the small lounge. Saturday

visitors to residents were: Alice Todd - Murray and Phyllis Sisson, also her son and his wife from Richmond Hill. Pearl Lyle - her grandson Derrick Hewitt from Hamilton, Cora Upton - her daughter Dorothy and her husband, Mary Oliver - her granddaughter Wendy, husband and two daughters, Ina McGuire - her son Murray. I had my sister May Cameron and my niece Jacqueline Yate-man, Alice Rivers - her son Ray and his wife. They visited other friends here.

Sunday visitors were: Mrs. Stutt - her daughter, Verna Jarvis - Ray Faulkner from Brampton, Mary Oliver - her daughter Rose, Ina McGuire - her son Doug and his wife, Alice Todd - her son Jim and his wife Barb. Also granddaughter Mary and husband Tom and two daughters, Bill and his fiancée. Pearl Lyle - her son Bob and his wife Doris from Sundridge to spend the day. May Horsley and Ina McGuire had their two brothers Brant and Don Sisson and his wife for dinner and attended the evening service in the Chapel. Annie Jones - Leon and Alice (her son and his wife) for dinner and they attended the chapel service also. Mr. Burgess conducted the service.

On Saturday May Horsley, Annie Schultz, Alice Todd and Bob Mitchell had an enjoyable game of cards.

Mable Buttery had her youngest brother Wilfred Ackerblade to see her also Dorothy Cowan.

Last week Grace Coburn had a fall and has been confined to bed here at Hyland Crest. Her daughter was with her over the weekend.

Our sympathy goes out to relatives and friends of Victor MacBrien who passed away at Hyland Crest.

Pastor Murray from All-saw Pentecostal Church took Tuesday morning service in the Chapel.

May Horsley had her niece Kendra Stamp to visit her Monday.

Charlie Welch has joined us for a couple of weeks.

Dora Dawson had Mr. and Mrs. Lavern Sisson to see her Sunday.

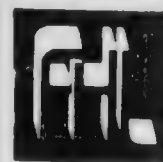

Monday Mr. Morley had the Auxiliary Ladies to lunch and viewed a movie by Mr. Monk, on how to handle sorrow.

The following day it was shown to the residents. It was very enlightening.

Did You Know?

by Doreen Hawman

The new Ontario Tax Credit system introduced by the Treasurer in the 1988 Budget, restructures the tax assistance benefits (which is part of your income tax return), for Ontario residents with low to moderate incomes.

For 1988 and subsequent years the basic Property Tax Credit is now \$250.00. The Sales Tax Credit has risen to \$100.00 per eligible adult and \$50.00 for dependent children. The Property and Sales Tax Credits are reduced on the basis of family income. The reduction is calculated as follows: From the total combined income, for Ontario Tax Credit pur-

poses, subtract \$4,000.00. The reduction is then the greater amount of 2 per cent of the above computation or nil.

If you would like further information regarding tax credits or if you require assistance completing your tax return, contact your nearest Information Centre. In Haliburton the centre is located in the Drag River Municipal Building, Maple Ave. and is open Monday to Friday from 10 a.m. to 4 p.m. or call 457-2733.

For the convenience of residents in the Minden area, the centre located in the Municipal Building, Milne St., is open every Tuesday from 10 a.m. to 4 p.m. or call 286-4100.

for your service

by Alan Thompson

Hoppity...Hoppity...

The Easter Bunny just arrived in town. I am the same pure chocolate as last year and my \$3 price has not changed. Contact any Lion member or call 286-3714. The C.G.I.T. girls also sell me.

It was most unfortunate poor weather cancelled the Minden Sled Dog Derby. A considerable amount of time and money was put into the event. The Sled Dog Derby program was available in local stores. When the event was cancelled Lions club members braved the cold Saturday January 14 selling programs in front of IGA and Valu-mart. Lions Lee, George, Reg, Maurice and Alan our hands were

cold, however the customer response was rewarding. At final tally nearly as many programs were sold as last year. The club wishes to thank the merchants who donated the prizes. We were able to hold our draw as planned. Minden had a number of winners.

Lions Jim Hamilton and Bill Stackhouse report a continued demand for the Lions mints, the proceeds from the mints helps the club in our community projects.

The winner in the District A-16 Lions International Posters for Peace contest, with the theme "Peace Can Help Us Grow" was Trevor Marsh, Grade 6, Norland Public School. His poster was sent on to the Multiple District Judging. The club wishes to congratulate him and we wish him well. The final winner of the countries which have participated will attend Lions Day March 13, 1989 at the United Nations

Assembly. More about this day in my next column.

Our club is very fortunate in the support we receive from the community. In the last three months, 100 pairs of eyeglasses have been donated to our eye glass program for third world countries. This brings our total to over 400 pairs in two years, many thanks.

In 1925 at Cedar Point, Ohio, Helen Keller addressed the Lions International Convention. This lady was blind and deaf. As a result of this address our Seeing Eye Dog Program was developed. In the fall of 1988 a seeing eye dog was presented to a person in Fenelon Falls. May 30, 1988 The Lions Foundation of Canada assumed responsibility of Hearing Ear Dogs of Canada. This organization was started in 1979 by Jacqueline Harbour. The dogs are taught to detect sounds such as an alarm clock, telephone, door bell or

knock, a baby crying and many other sounds. The dog alerts the person by physical contact and leads them to the source of the sound. In case of a fire they are a real life saver.

Specially trained dogs from Lions Foundation of Canada can play a helpful role to the disabled people in our society.

The Minden Lioness Club wish to thank everyone for their support of our Snotime Craft Draw. Winner of the quilt was Mrs. A. Tural of Minden; the wall hanging Mrs. G. Master, Richvale; the key/notepad holder Mrs. L. Mercer of Minden.

Our January meeting was dinner at Red Umbrella and in lieu of gift exchange at Christmas we took up a collection among members and matched it with club funds to support Murray Dryden's "Sleeping Children Around the World". For \$28 a bit goes

World." For \$28 a bit goes to a child in an under-developed country. The kits are all made where used, thus helping the local economy and distributed by those already on scene. We are proud to know six children will be sleeping better.

Remember February is Heart and Stroke month and please be generous.

NOTICE

THE CORPORATION OF THE TOWNSHIPS OF ANSON, HINDON & MINDEN

Requires that all dogs in the Township must be licensed as per By-law #84-36, and refrained from running at large as per By-law #78-15.

The Licenses may be obtained at the Municipal Office at a fee of \$10.00 per dog.

All dogs must be licenced by February 28, 1989 or charges may be laid.

Brad Bradamore
By-law Enforcement Officer

The Corporation of the Township of Snowdon

PUBLIC NOTICE

IN THE MATTER OF the Municipal Act and in the matter of a proposed by-law of the Corporation of the Township of Snowdon to stop up, close and convey that portion of the 66 foot original shore road allowance along the shore of South Lake in front of Part of Lot 5, Concession 14.

NOTICE IS HEREBY GIVEN, pursuant to Chapter 302, Sec. 298 of the Municipal Act, R.S.O. 1980, as amended, that the Council of the Corporation of the Township of Snowdon proposes to consider and if deemed advisable to pass at its regular meeting to be held at the Gelert Community Hall, Gelert, Ontario, on Monday, February 13, 1989 at 7:30 p.m., a by-law to Stop Up, Close and Convey those parcels of land more particularly described as follows:

That part of the 66 foot Original Road Shore Allowance along the shore of South Lake, in front of Part of Lot 5, Concession 14 designated as the first and second parts of Instrument Number 132795 of Preliminary Reference Plan MC-162 in the Township of Snowdon, County of Haliburton, on a plan of survey prepared by C.T. Strongman, O.L.S., dated the 9th of September, 1988.

WHICH SAID PLAN OF SURVEY may be examined at the Municipal Office of the Township of Snowdon in Gelert, Ontario.

AND FURTHER TAKE NOTICE that before passing the said by-law at its meeting to be held at the time and place above mentioned, the Council of the Township of Snowdon shall then and there hear in person, or by his counsel, solicitor or agent, any person who claims that his land will be prejudicially affected by the said by-law and who applies to be heard.

DATED at the Township of Snowdon this 6th day of January, 1989.

Ernest A. Hills,
Clerk-Treasurer,
Township of Snowdon.

CORPORATION OF THE TOWNSHIP OF STANHOPE

PUBLIC NOTICE

TAKE NOTICE that the Council of the Municipal Corporation of the Township of Stanhope, proposes to enact a by-law to stop up, close and convey to the abutting property owner that part of original shore road allowance set out and described as follows:

FIRSTLY: All and Singular that certain parcel or tract of land and premises situate, lying and being in the Township of Stanhope in the County of Haliburton and being composed of part of the 66' original shore road allowance lying in front of Lot 19, Concession 111 being more particularly described as Part 1 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R 4285.

THE PROPOSED BY-LAW will come before the said council for consideration at its regular meeting at the Municipal Office in the Township of Stanhope on the 8th day of March, 1989 at the hour of 10:30 a.m., and at that time, the Council will hear in person or by his/her counsel, solicitor or agent any person who claims that his land will be prejudicially affected and who applied to be heard.

DATED: January 26, 1989.

Gerald C. Bain, A.M.C.T.,
Clerk-Administrator,
Township of Stanhope,
R.R. 1, Haliburton, Ontario
KOM 1S0.

Growing conditions improve

A federal-provincial employment program costing \$161,433 in the Algonquin region has improved the growing conditions of local forests.

The job creation program provided an average of 10 weeks of work for 24 unemployed people at the Leslie M. Frost Natural Resources Centre in Dorset and in Renfrew

County.

"It is gratifying to see the continued success of this type of employment program," said federal Employment and Immigration Minister Barbara McDougall. "People are being given an opportunity to develop their skills while valuable community projects are being completed."

"Improvements to

forests lead to faster-growing and higher quality trees, and ultimately economic benefits," said Ontario Natural Resources Minister Vincent Kerrio. "At the same time, these workers are developing a better understanding of forest management practices."

At the Frost Centre, three people collected data

on local forests in their area to be used later in timber management planning.

In Renfrew County, workers thinned pine stands to improve quality and growth and took an inventory to update the provincial government's Forest Resources Inventory.

CORPORATION OF THE TOWNSHIPS OF ANSON, HINDON AND MINDEN

IN THE MATTER OF Section 34 (12) of the Planning Act, S.O. 1983 and

IN THE MATTER OF an application by Bruce Harris to amend the Zoning By-law of the Townships of Anson, Hindon and Minden to permit the operation of a motel and restaurant with a licensed dining lounge on this 3.02 hectare parcel of land on Part Lot 31, Conc. 3, Township of Minden.

NOTICE is hereby given that Council will hold a public meeting in the Municipal Council Chambers on Tuesday, February 28, 1989 at 7:30 p.m. to consider an amendment to the Zoning By-law which would change the designation of the land shown in heavy outline on the attached plan from Zoning By-law 14-67, Rural "RU" to Resort Commercial B "RCB" Zoning By-law 86-26, RU-Rural to C3-Highway Commercial.

NOTICE is also given that at the same time Council will consider amendments to Zoning By-laws 14-67 and 86-26 which propose to rezone the land shown in heavy outline on the attached plan to a Commercial zone category which will permit the operation of a motel and restaurant with a licensed dining lounge.

AND FURTHER TAKE NOTICE that before passing the said Zoning By-law amendments, Council shall then and there hear any person who attends the said meeting to make representation in respect of the proposed amendments.

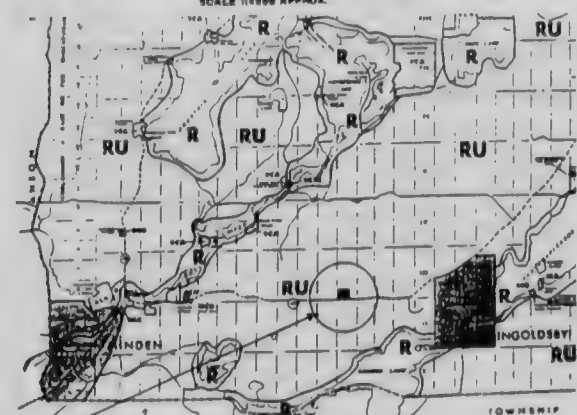

FURTHER INFORMATION, if required, may be obtained from the Municipal Offices during regular office hours.

New museum committees are struck

by Stan Hill

The Minden County Town Museum Committee met on January 25, at which time the following executive and committees were organized for 1989.

President - Jean Lacey;
Past President - Stan Hill;
Secretary - Jeanne Sears;
Treasurer - Doreen Berry.

Committees

Budget: Doreen Berry,
Jean Lacey; Artifacts:
Wynn Newbery, Doreen
Berry; Membership:
Nancy Garbutt; School
Awards: Nancy Garbutt;
Heritage Picture Cata-
logue: Doreen Berry,
Wynn Newbery; Building
Committee: Stan Hill,
John Hulbig, Dick Kirk-

wood; Henry Webert,
George Hewitt; Displays:
Nancy Garbutt; Public
Meetings: Jeanne Sears;
Pioneer Crafts (Fair):
Irene Moore; Attic
Treasures Sale: Freda Hul-
big, Henry Webert;
Heritage Interviews
(V.C.R.): Stan Hill;
Honour Scrolls: Doreen
Berry.

The citizens of our community are encouraged to take out support memberships at \$2.00 each from Nancy Garbutt to help us purchase artifacts. Members receive newsletters to acquaint them of museum activities and are encouraged to support us in special projects.

We were delighted to

receive an offer of a hand-woven rug made on a 100 inch loom by Judy Chapman. This will be an excellent addition to our Bowron Homestead. We also thank Noel Griffin for the use of the school bell from the original Elsie School on Hwy. 35 and thanks also to Al Wrightman for the early 1900

Singer sewing machine and shoe lasts.

If you are interested in joining our museum committee during this exciting year as we utilize recently released funding from New Horizons, contact Jean Lacey. New members are very welcome.

Leaving tiny tracks in the snow

by Marion Streb
Federation of Ontario
Naturalists

Sometimes in January, meadows, woods and even backyards seem ominously silent and devoid of life. There are days when even the bird feeder is virtually deserted except for the chickadees flitting busily between the feeder and the white pine.

But if we learn to read the snow there is often plenty of evidence that life goes on busily and sometimes dramatically even in the dead of winter. Next time you go out to fill the feeder notice the lines of regular tracks so tiny they are like a series of colons in the snow. These are made by meadow voles. There may also be equally tiny tracks which are like the tracks of a minute rabbit. These are mice tracks, probably of either deer mice or white-footed mice. Although both mice and voles are rodents and belong to the family Cricetidae, they are very different in appearance and habit.

Meadow voles have small pudgy bodies, blunt faces, small beady eyes and short stubby tails. Their world, as their name implies, is bounded by grass. If you have a patch of meadow or even a small area of unmowed grass on your property, then you will likely have meadow voles. Since they spend most of their time tunnelling just below the surface, or through the flattened mats of dried grass or under the snow, you will seldom see one, unless your cat lays a few out for your inspection on the back porch. Don't be deceived into overestimating her hunting prowess; they are slow and easy to catch. But if you look, you will see the outline of their tunnels in the grass or under the snow.

The deer mouse on the other hand is compact, and long-tailed with large eyes and ears. Unlike its cousin, the vole, the deer-mouse travels quickly over the surface, and is also a proficient tree-climber. It will sometimes roof over an abandoned bird's nest with assorted debris, and use it for its own family.

Sometimes mice tracks which have been wandering busily among the seeds under the birdfeeder disappear suddenly as though the mouse had taken flight. Likely it has, its last. Mainly nocturnal it has

probably taken this last ride clutched in the talons of an owl. If you look closely you may even see the brush marks where the owl's wings touched the snow as it seized the mouse.

As common as the mice tracks, will be larger tracks with the same peculiarities: 4 toes on the front feet and 5 on the hind feet. Depending on your location these tracks may belong to chipmunks, red squirrels or grey squirrels (our black squirrel is actually the eastern gray squirrel).

Other large mammal tracks you may see, even in suburbia are the distinctive miniature human hand prints of that classic moocher, the raccoon. In areas where there is sufficient cover close at hand, you might also see the dog-like prints of foxes and coyotes. They can be distinguished from a dog's

prints because there is evidence of perfect stepping without any rear footdrag.

But these tracks are still difficult to distinguish from the tracks of smaller dogs, like cocker spaniels, without other clues. Generally the tracks of fox and coyote are more purposeful than dog tracks and demonstrate an awareness of their environment. For example, a fox will often stand motionless looking and listening intently.

In areas where there is some open water look for prints of aquatic mammals like mink with its 5 pointed toe prints in front of a semicircular heel pad. Anywhere there is water and a good stand of cattails there will likely be the hand-like prints of the muskrat, a smaller version of the raccoon's.

One of North America's

largest mammals, the white-tailed deer, often lives quite close without our being aware of it. The only evidence of its presence may be the delicate split ovals of its hoof pattern, and, possibly, the nibbled twig ends of some of your shrubbery.

There are a number of guides to animal tracks. One I like is in the Stokes Nature Guides series: *A Guide to Animal Tracking Behaviour* by Donald and Lillian Stokes. Not only does it have good information about reading tracks, it also has interesting material about the animals that make them. This sort of detective work can be addictive. In time you will be able to piece together many little dramas like that of the mouse and the owl.

Staanworth Court News

Here is a very practical and real way to start 1989-- Promise yourself: "To be too large for worry; too noble for anger; too strong for fear; and too happy to permit the presence of trouble."

Many of our residents are on the sick list. Ivy Angliss, Florence Lindsay and George Davidson were taken by ambulance to Minden hospital; Janet Perry leaves this week for medical observation at Sunnybrook hospital, Toronto; Doris Foster is recuperating at her apartment after a nasty fall on the ice; Eleanor Ferris has returned after visiting her doctor in Toronto. To these folks, we offer our sincere good wishes for a speedy recovery.

A very tasty supper was enjoyed by our residents recently. It was catered by the General Lee Restaurant. A variety of salads with chicken and shrimp composed the delicious meal. This was followed by a lovely birthday cake which was enjoyed by our January birthday folks, namely, Henry Howe, Holly Cooper, Fern Donnelly, Dolly Ashford, Siiri Mielonen (Ernie Anderson and George Davidson were unable to take part). A few residents remained to play euchre.

They say a garlic diet makes one look thinner -- from a distance!

Our January meeting of the residents' club was held in the lounge room with 17 members present. Holly C presided. Jean Marsh displayed a wall hanging she had embroidered with all the names of the residents who resided here since our apartments were officially opened. It also included the names of the directors; these all from 1984 to 1988. We truly thank Jean for this lovely panel. Marg Horsley was to contact folks for entertainment for this month. Note: I was sorry to have to cancel that group, due to the many folks sick. They were very kind to understand and perhaps in due time we shall call on the folks listed, at their convenience. I thank all who have volunteered to entertain us this winter.

Our sincere sympathy goes out to the family of Florence Dollo. Florence endeared herself to many of our folks. It surely was a shock to learn of her death; it was so soon after the death of her husband Joe Dollo.

Fern and Bill Donnelly, Corinne Bonneville and Eleanor Ferris attended the service for Christian Unity held in Our Lady of Fatima R.C. Church. After the local ministers and choir spoke and sang words stressing how much we all need each other, a lovely lunch was served.

Due to weather, many folks were unable to attend.

What a beautiful weekend for Minden's sports enthusiasts. Congratulations to the committees who were in charge. Eleanor Ferris, Melissa Hampson and Margaret Horsley enjoyed the roast beef dinner put on by the Carnavon Church. This is an annual event put on in conjunction with the Minden Winter Carnival.

To our friends down south who watch our news, here is our report on euchre games: January 6 -

high score Art Marsh; low score Marg H., most lone hands Henry Howe. January 13 - high score Fern D.; low score Marg H.; most lone hands Henry Howe and Doris Foster. January 27 - high score Lillian Davidson; low score Fern D.; most lone hands Corinne Bonneville. (I would like to suggest that anyone looking for a euchre accountant would be happy with our Fern D.) Ha!

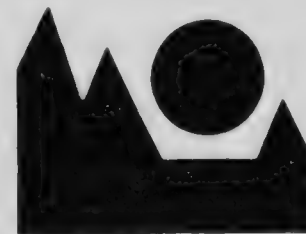

I hope our readers will take time to go to watch the figure skaters in competition this month. I am told besides this past weekend of February 4 and 5, there will be one again February 26 and another April 2. It is a very true saying that "No one is taller than the one who stoops to help our children". Let us show them we care.

What a great country we have! Anybody can have a second house, a second car, a second TV. All it takes is a second job, a second mortgage and a

Monday, February 6, 1989

second wind.

May your Best in 1988 be your Worst in 1989. Keep well and be happy. M.H.

BIRTHS

GILES: Sandi and Joe are happy to announce the birth of their son

MORGAN CHRISTOPHER

on January 26, 1989 at Soldier's Memorial Hospital, Orillia, weighing in at 7 lbs., 11 oz. Proud grandparents are Carol and Don Millar of Orillia, Gary Van Wyck of Washago and Bruce and Agnes Giles of Bancroft.

CARD OF THANKS

A thank you to Doctors, Nurses and all our friends, neighbours and family for thoughtful prayers, food, visits, cards and transportation. Special thanks to my sister Irene Minaker and my family. God bless you all.

Gladys Dugan

I would like to thank all my neighbours and relatives for helping me while Charlie was in hospital. Thanks to Pastor Murray, Doris Hamilton, Jenny and Brian for seeing I got to Peterborough, for Ed McKelvey for sanding the driveway so I could get out. Bobbie Haley for food and Carol McKelvey for going and bringing Charlie home. I really appreciate everything that was done. Thanks again,

Audrey

I would like to thank all my neighbours, friends and relatives for the cards and fruit baskets I received while a patient in Peterborough hospital. Also thanks to Pastor Murray and friends of Allsaw Pentecostal Church for their prayers. Thank you.

Charlie Kent

CARD OF THANKS

My thanks to Dr. Dawson and staff at Minden Hospital, to the ambulance attendants who took me there and then to Lindsay - to Home Support for all conveniences provided, for VON visits, and Mrs. Creelman the physiotherapist; to Club 35, St. Stephen's Ladies Guild and the Airport Committee for flowers and to all my kind friends and neighbours who have done so many things to help.

Louise Watson

AT REST

WARD Olive

- at St. Joseph's Hospital, Peterborough on Friday, January 27th, 1989 in her 52nd year, beloved wife of Earl, dear mother of Barry and Daryl of Minden, loving sister of Mildred (Mrs. Stanley Archer) of Minden, Thelma Scott of Searchmount, Joyce Austin of Minden, Russell Rivers of Markham and predeceased by Roma Bradshaw, fondly remembered by her many friends and relatives. Rested at the Gordon A. Monk Funeral Home, Minden. Funeral service was held in the chapel on Monday, January 30, 1989 at 11:00 a.m. Spring interment Minden Cemetery. At Olive's request, memorial donations to the Foundation for Ileitis and Colitis would be appreciated by the family.

MacBRIEN Victor Arnold

- at Hyland Crest, Minden on Sunday, January 29, 1989 in his 90th year, beloved husband of the late Ada MacBrien and Placida MacBrien, dear father of Betty Routliffe of Sarnia, Robert of R.R. 2, Minden, Douglas MacBrien of Massachusetts and Gwen Culbert of Florida, loving grandfather of 11 grandchildren and 8 great grandchildren, brother of Verna Bulkowski, predeceased by one brother and 3 sisters, stepfather of Lila Lovering, Helen Jones and Catherine Grossmiller, all of Florida. Rested at the Gordon A. Monk Funeral Home, Minden. Funeral service was held in the chapel Wednesday, February 1st at 2:00 p.m. Spring interment St. Stephen's Cemetery. Memorial donations to the Gideon Bible Society would be appreciated.

AT REST

JONES Rossa

- suddenly at her residence in Minden on Tuesday, January 31, 1989, in her 67th year. Beloved wife of Stan Jones. Dear mother of Sandy Speiglehalter, Paul Wemyss, Thomas Wemyss, and Robert Wemyss. Dear grandmother of 9 grandchildren. Loving sister of Morris Miller, Emma Goldstein, and Bella Sherman. Dear daughter-in-law of Vera and Archie Jones. Rested at the Gordon A. Monk Funeral Home, Minden, from 1:00 p.m. until funeral service time at 2:00 p.m. on Thursday, February 2, 1989. Spring interment at Minden Cemetery.
